MODIFICATION TO THE CONTRACT

1. The clause entitled “LIMITATION OF GOVERNMENT’S OBLIGATION” EPA-B-32-103 has been added to this task order. The text is as follows:

(a) Severable services may be incrementally funded. Non-severable services will not be incrementally funded. **Contract sub line item CLIN 0009** is severable and may be incrementally funded. For this item, the sum of [REDACTED] the total price is presently available for payment and allotted to this contract for **CLIN 0009 of Option Period II**.

Contract sub line item CLIN 4002AA is severable and may be incrementally funded. For this item, the sum of [REDACTED] of the total price is presently available for payment and allotted to this contract for **CLIN 4002AA of Option Period IV**.

See the table below for details for the de-obligation of funds for CLIN 0009 and CLIN 4002AA

(b) For items identified in paragraph (a) of this clause, the Contractor agrees to perform up to the point at which the total amount payable by the Government, including reimbursement in the event of termination of those items for the Government's convenience, approximates the total amount currently allotted for those items to the contract. The Contractor will not continue work on those items beyond that point. Subject to the clause entitled, "Termination for Convenience of the Government", the Government will not be obligated, under any circumstances, to reimburse the Contractor in excess of the amount payable by the Government in the event of termination of applicable contract line items for convenience including costs, profit, and estimated termination costs for those line items.

(c) Notwithstanding the dates specified in the allotment schedule in paragraph (h) of this clause, the Contractor will notify the Contracting Officer, in writing, at least 5 days prior to the date when, in the Contractor's best judgment, the work will reach the point at which the total amount payable by the Government, including any cost for termination for convenience, will approximate 85% of the total amount currently allotted to the contract for performance of the applicable items. The notification will state (1) the estimated date when that point will be reached and (2) an estimate of additional funding, if any, needed to continue performance of applicable line items up to the next scheduled date for allotment of funds identified in paragraph (a) of this clause, or to a substitute date as determined by the Government pursuant to paragraph (d) of this clause. If after such notification, additional funds are not allotted by the date identified in the Contractor's notification, or by an agreed substitute date, the Contracting Officer will terminate any item(s) for which additional funds have not been allotted, pursuant to the clause entitled "Termination for Convenience of the Government".

(d) The parties contemplate that, subject to the availability of appropriations, the Government may allot additional funds for continued performance of the contract line items identified in paragraph (a) for this clause and will determine the estimated period of contract performance which will be covered by the funds. If additional funds are allotted, the Contracting Officer will

notify the Contractor in writing. The Contractor will not resume performance of the contract line items identified in paragraph (a) until the written notice is received. The provisions of paragraphs (b) through (d) of this clause will apply in like manner to the additional allotted funds and to the new estimated period of contract performance. The contract will be modified accordingly.

(e) The Government may at any time prior to termination allot additional funds for the performance of the contract line items identified in paragraph (a) of this clause.

(f) The termination provisions of this clause do not limit the rights of the Government under the clause entitled "Default". The provisions of this clause are limited to the work and allotment of funds for the contract line items set forth in paragraph (a) of this clause. This clause no longer applies once the contract is fully funded.

(g) Nothing in this clause affects the right of the Government to terminate this contract pursuant to the contract clause entitled "Termination for Convenience of the Government".

(h) The parties contemplate that the Government may obligate funds to this contract in accordance with the following schedule:
